"Holding hands to go for a walk."

Sarch
Jumping Genie

Dear Sarch,

RE: BULLEEN PRE SCHOOL 50TH BIRTHDAY CELEBRATIONS

We would like to take this opportunity to thank you for your support and generous donation of the use of your fabulous jumping castle for our 50th anniversary celebrations. We very much appreciated your kind contribution.

The generosity of people like you within our community makes it much easier for us to provide events like these for our kinder community, the general community and most importantly, for the children that attend our beautiful kindergarten.

We trust that we can count on you for further support in the future and once again we thank you.

The details of your support and your business will be in our next newsletter that is distributed to all our kindergarten families.

Kind regards,

Lorraine Robinson
VICE PRESIDENT – BULLEEN PRE SCHOOL
